

## **Crumly Family Bible**

This Bible shows evidence of fire damage and more extensive water damage. It was rebound, but the title page inside the front cover is missing. The title page shown in this PDF file is the one which precedes the New Testament, which has a date 1857.

There were several Bibles which were passed to different sons. This one was passed to Levi Marion, the youngest son of Robert Crumly. From Levi it was passed to his son Robert Elmus, who was my grand dad. I came into possession of this family Bible upon the death of my father, Robert Elmus Crumly Jr.

A photo copy of each genealogy page follows, and a typed transcript is included at the end.
